HARVEST NOTES: Vintage 2019 is like the Tale of Two Cities. The beginning of harvest was a bit late to start but the fruit was ripe, juicy, balanced, and full of color. It felt like an amazing super vintage was in the making both in quality and timing. However, we must never forget that we are farming, and anything can happen. A series of early frosts hit, and the vines slowed down making the tail end of harvest more difficult and time consuming. 90% of the fruit made it in time so overall the outlook is still bright!
